Pupil Difference' figures in **green** indicate a gap equivalent to at least one pupil more than the comparator. 'Pupil Difference' figures in **red** indicate a gap equivalent to at least one pupil below the comparator average. All calculations include the application of 3 additional scaled score points where special consideration has been awarded. For details of comparators used please see the guidance sheet.

NCER comparators are based on 477,806 pupils from 95 LAs, representing approximately 71% of the national cohort.

Remember to check Corestats for more 2023 KS2 analysis, including:

Pupil Listings

The screenshot shows a detailed table with columns for NAME, Gender, EYFSP (Reading, Writing, Mathematics, Communication and Creative Arts), and KS2 (Reading, Writing, Mathematics, Science, History, Geography). It includes a summary table at the bottom with rows for School Average, National, and Gap (School-Nat) for each subject.

Includes KS2 results for your 2022/23 Year 6 cohort, along with their Early Years and KS1 results (if available)

Attainment Matrix

The screenshot shows a grid of attainment matrices for KS1 and KS2. It includes a legend for attainment levels (Low, Middle, High) and a table showing the percentage of pupils in each level for both Key Stages. A note explains that KS2 data should be used with caution as it is based on a smaller sample size.

Tables detailing how your KS2 cohort had performed in relation to their KS1 results

Pupil Difference' figures in **green** indicate a gap equivalent to at least one pupil more than the comparator. 'Pupil Difference' figures in **red** indicate a gap equivalent to at least one pupil below the comparator average. All calculations include the application of 3 additional scaled score points where special consideration has been awarded. For details of comparators used please see the guidance sheet.
